PROFILE

A visual designer and motion graphics artist who combines creative craft with business insight to build distinct brand identities and turn them into compelling visual stories. Across five-plus years in graphic design, video editing and motion graphics, I have learned to move comfortably between a strong static frame and a fully developed 3D scene.

WORK EXPERIENCE

Cyient Limited

NOV 2025 - PRESENT

3D Animator

- I create and animate 3D scenes, assets and visual elements, directly consumed by end users.
- I work closely with cross-functional teams to carry those elements into finished motion work.
- Compositing 3D Animations, Motion graphics and various assets to deliver high-end explainer/training videos

GGG Information Services

Sep 2021 - Oct 2025

Creatives & Motion Graphics Designer

- I owned client-facing projects from concept to delivery, translating brand guidelines into product graphics, advertisements and promotional content while keeping quality and timelines in balance.
- Created motion graphic videos and marketing graphics that support clear, consistent communication across the brand channels.

Digitally

Mar 2021 - Aug 2021

Graphic Designer

- Developed graphic solutions for businesses and film Productions
- Worked alongside bigger brands throughout the campaign, contributing from early concept development to platform launch.
